To whom it may concern,

Edward de Bono is the originator and author of many Works on the teaching of thinking as a skill, including but not limited to Lateral Thinking and The Six Thinking Hats. The de Bono Intellectual Property rights (de Bono IP), includes the copyrights in these Works and associated trademarks. The de Bono IP is owned, managed and licensed by Edward de Bono Ltd, trading as de Bono.

de Bono Thinking Systems (dBTS) is licensed to operate and function, solely, as our global representative and partner for the corporate training sector. dBTS is the sole organisation to publish our corporate training materials, organise in business, corporate and commercial sectors, and to train trainers to bring the de Bono method to organisations worldwide.

Only companies and trainers within the dBTS network are licensed to provide the de Bono method.

Your faithfully,

A handwritten signature in black ink that reads 'Edward de Bono'.

Dr Edward de Bono  
Originator of the de Bono IP

A handwritten signature in blue ink that reads 'Caspar de Bono'.
